

Safety data sheet

According to EC Directive 91/155/EEC

1. Identification of the substance/preparation and of the company/undertaking

Identification of the product

Catalogue No.: 191574
Product name: **Testsimplerts®**

Manufacturer/ supplier identification:

Company: Waldeck GmbH & Co. KG - PO-Box 41 01 80 - 48065 Münster-Roxel - Germany
Phone: +49 (0) 2534 / 970-0 - Fax (+49) (0) 2534 / 970 258
Contact for information: Lab Phone: +49 (0) 2534 / 970 210

Emergency telephone No.: **Call +49 (0) 228 / 2873211 Fax +49 (0)228 / 2873214**

2. Composition / information on ingredients

Chemical: Contains no hazardous substance which are to identify
Characteristics: Microscope slides coated with stain
Other note: There are no information or clues about hazardous characteristics at present

3. Hazards identification

Hazard note: The product should be handled with the care usual when dealing with chemicals.

Other note: Slightly water polluting substance

4. First aid measures

After swallowing slide coating consult doctor.

Note for the doctor: Symptomatic therapy

5. Fire-fighting measures

Suitable extinguishing media: no limits

Thermal decomposition: No hazardous decompositions are to be expected.

Waldeck Safety data sheet

Catalogue No.: 191574
Product name: **Testsimplets®**

6. Accidental release measures

Measure at spill: Broken coated microscope slides may be disposed like household waste.
Fixing agent: Not necessary
Damage limitation: Special measures are not necessary.

7. Handling and storage

Handling: Substance or preparation do not burn itself
No further requirements
Storage: At +15°C to + 25°C.

8. Exposure controls / personal protection

Limits for industrial safety:

MAK value: not defined

Personal protective equipment:

Respiratory protection: not required
Eye protection: not required
Hand protection: disposable gloves

Industrial hygiene: Wash hands before taking a break and after working

9. Physical and chemical properties

Form: solid
Colour: colourless
Odour: odourless
pH value: (20°C) not available
Melting point: not available
Boiling point: not available
Ignition temperature: not available
Flash point: not available
Substance has no flammable characteristics
Explosion limits: not available
Vapour pressure: (20°C) not available
Density: (20°C) not available
Solubility in water: (20°C) insoluble
Viscosity: not available

Waldeck Safety data sheet

Catalogue No.: 191574
Product name: **Testsimplets®**

10. Stability and reactivity

Hazardous reactions: unknown
Hazardous decomposition: none

11. Toxicological information

LD50 oral: unknown
LD50: unknown
LD50 dermal: unknown
LD50 inhal: unknown

Toxicological information: Poisonings are not known so far.

12. Ecological information

WGK: 1 (Self classified)

13. Disposal considerations

Waste management: After the examination with infected blood dispose the materials as infected hazardous waste..
Waste management of empty packaging: Empty packaging may be passed to a local return recycle system..

14. Transport information

Not subjected to transport regulations.

15. Regulatory information

Labelling according to EC Directives

Note: This product is not to label in according with "Gefahrstoffverordnung" and corresponding EC-Directives

16. Other information

Date of issue: 15.05.03

The information contained herein is based on the present state of our knowledge. It characterizes the product with regard to the appropriate safe precautions. It does not represent a guarantee of the properties of the product.
